Rev. 7/26/10

Arrival/Pick-up Times

Children should not arrive at school before 8:30 AM as there is no adult supervision. All students should go home immediately following the dismissal bell. Students arriving before 8:30 (9:55 for late birds), or not picked up 15 minutes after the dismissal bell will be sent to daycare for supervision. Parents/Guardians will be charged \$10.00 per hour (or any fraction thereof) for emergency daycare services. Charges for emergency daycare services are due and payable on the day of the occurrence.

Punctuality

It is vitally important that children arrive at school on time. Letters will be sent to parents if children are tardy seven times or truant tardy three times. Additional tardiness may require a meeting with the principal. Please remind your child that if tardy, he or she must check in at the office before proceeding to class.

Attendance

Each time your child is absent please *call the absence line (646-6663 extension 50)*, prior to 9:00 AM explaining the absence. Regular and prompt attendance is most important to success in school. Chronic attendance problems may result in a meeting with the teacher and principal and possible referral to the District Attorney's office. Homework should be requested on the absence line when reporting the student's absence. Homework will be available in the homework basket located in the school lobby between 3:30 to 4:30 PM. Please do not send your child to school sick as they are likely to infect others. MCOE policy states that a student must be fever and vomit free for 24 hours before returning to school.

Student Attendance Policy

Pacific Grove Unified School District adheres to a strict attendance policy. Please see School Board policy 5113 for further information. "Parents/guardians of children aged six to 18 are obligated to send their children to school unless otherwise provided by law. The Board shall abide by all state attendance laws and may use appropriate legal means to correct the problems of excessive absence or truancy." A 24-hour voice mail system is available for calls at 646-6663 ext. 50. All absences must be cleared by a telephone call or note from the parent/guardian within 72 hours of the absence. **It is important to advise the office as well as your child's teacher.**

Excused Absences

The State of California considers illness, medical appointment, and the funeral of an immediate family member to be excused absences. Fourteen excused absences are allowed per year. After the 14th excused absence, an illness will be considered excused only if documented by a physician. Absences beyond the 14th that are not excused by a physician's note will be considered unexcused absences.

Unexcused Absences

Any absences not covered in the categories listed above are considered unexcused absences. This includes vacations, out of town trips, personal reasons, and any unverified absence.

Tardy Policy

Any student arriving late to class is considered tardy. Tardies that are more than 30 minutes late without a valid written excuse from a doctor, dentist or orthodontist are considered truant, and report as an unexcused absence. All students arriving late to campus must report to the office before reporting to class.

Truancy Mediation

Robert Down Elementary participates in the Truancy Mediation Program through the Monterey County District Attorney's office. After three unexcused/unverified absences the school is mandated to report these absences to the Monterey County District Attorney's truancy mediation program.

Visitors

For the safety and best interest of all concerned, visitors, including volunteers and parents must enter the school through the front doors on Pine Avenue and check in with the office before visiting classrooms. Please make sure you sign in and wear a visitor badge.

Medications at School

Children may not bring medications of any kind to school unless there is a completed physician authorization form on file at school. If your child needs to have medication regularly administered during school hours, please pick up a form at the office. This includes "over the counter" medications. Please do not send your child to school with aspirin, cough drops, allergy medicine, etc. If you have questions, please call Julie Leon-Guerrero, our district Health Clerk.

Emergency Messages

All contacts with the classroom during the school day should go through the office. Messages for children should be for **emergency only**. Keep in mind each time the office has to call a classroom with a message, they are interrupting instruction time. (We realize there are exceptions and appreciate your help on this.) Please limit your child's use of the classroom phone. Make sure that your child has a lunch or has lunch money available on their lunch card. Please be certain that after school plans are made ahead of time and communicated to your child.

Lost and Found

Labels on clothing lunch pails, eyeglass cases, etc. help to recover lost articles. Small items will be sent to the office lost and found basket, while "Found" clothing and larger items will be placed on our clothes rack in the cafeteria. All items are donated to a local charity two days before each major break (October, Thanksgiving, Winter, Presidents, Spring, Summer). Please try to help children keep track of their personal belongings.

Before and After School Recreation Program

Before and after school daycare is available from 7:30 a.m. - 5:30 p.m. Call Henrietta Rivera at 646-6548 for more information.

Dress Code

Students' dress and appearance should be compatible with an effective, elementary learning environment. Clothes and shoes should allow for free-movement during recess and PE. We strongly discourage makeup as well as hair dye that is distracting. Hats should not be worn inside the school building. Inappropriate words, sponsors, or pictures, bare midriffs, sagging pants, exposed underwear, and revealing tank tops are not allowed. Any dress or appearance which disrupts the class or learning activity may require a student to call a parent so that appropriate clothing can be brought to school for the child.

General Guidelines

1. Students should not arrive at school earlier than 8:30 AM, as there is no adult supervision (9:55 for late birds). All students should go home immediately following the dismissal bell. Students arriving before 8:30 (9:55 for late birds) or not picked up 15 minutes after the dismissal bell will be sent to daycare for supervision. Parents/Guardians will be charge \$10.00 per hour (or any fraction thereof) for emergency daycare services. Charges for emergency daycare services are due and payable on the day of the occurrence.
2. Bicycles and skateboards will be walked on all parts of the school campus, including the sidewalk in front of school. Bikes should be parked in the provided bicycle racks. Bike locks are strongly recommended. Rollerblades are discouraged but if they must be used, they have to be taken off before entering school grounds. California law currently requires children to wear helmets while riding bikes, scooters, skateboards or skates. Regular shoes must be worn on school grounds. Wearing pads can also protect from cuts and scrapes. Parents please review traffic and safety rules with your child so their trip to and from school will be safe.
3. Toys are to remain at home unless the teacher or principal gives special permission. Only classroom equipment and materials will be allowed at school.
4. So that no child feels overlooked, please do not distribute party invitations at school. Please follow the guidelines of the district's Wellness Policy when sending treats to classroom celebrations.
5. Students are not to leave the school grounds during school hours without being signed out in the office. If you know ahead of time that your child is leaving early, please send a note to the teacher. The child is then called from the classroom to meet the parent in the office. **Only people listed on the emergency card may pick up the child unless we have a note from the parent.**

6. Students are not to bring gum, candy and soda pop to school.
7. Students should not be picked up at their classroom. Please find a convenient, safe place to meet your child after school.
8. Students should not bring cellular telephones to school. If it is absolutely necessary for your student to have a cell phone, please understand that the school does not accept any responsibility for the loss or damage to a student's cell phone. Under no circumstances shall the cell phone be turned "on" at school. Cell phones must be kept in the student's backpack during the school day.
9. PLEASE, PLEASE, PLEASE do not double park in front of the school to pick up or drop off your child, this is illegal. There are many safe places to park around the side streets and back of the school that do not increase the congestion in front of the school. For the safety of all children, please park and meet your child in a safe place.
10. Please adhere to the 3-minute parking rule in front of Robert Down School. Do not park here if you need to come into the school. This area is strictly a quick drop-off/pick-up zone.
11. Students who ride the bus to school are required to purchase a bus pass through the P.G.U.S.D. District Office. The cost per student is \$100 per year, or \$80 per semester. Students who fail to follow the directions of the bus driver may lose the privilege of bus transportation.
12. Dogs are not permitted on campus with the exception of service dogs.
13. All PGUSD school campuses are tobacco free. This means no one who enters the school grounds and/or buildings may smoke or use tobacco products of any kind.
14. To make sure your child is ready for school, California Education Code now requires that your kindergarten or first grade child has an oral health assessment (dental check-up) by May 31, (whichever is his/her first year of school). Assessments that have happened within the 12 months before your child enters school also meet this requirement. The assessment must be done by a licensed dentist or registered health professional. A waiver is also available. If you have not completed the oral health assessment, please contact Robert H. Down Elementary and they can provide you with any information you may need to complete the process.
15. At the start of each year, parents are asked to complete an emergency card for each of their children. If a child has a condition that could result in an emergency situation during the school day, we make every effort to contact the parent to develop a specific emergency plan and attach a copy to the emergency card. If you believe this applies to your child, and would like to develop a plan, please contact our health clerk at 646-6540.

Physical Education

Students participate in Physical Education for thirty minutes each day. The State Board of Education requires each elementary aged child to participate in a minimum of 200 minutes of Physical Education every ten days.

1. APPROPRIATE DRESS - It is very important that your child wears comfortable, loose clothing that allows movement. It is even more important that comfortable and supportive shoes are worn. *UGGS, CROCS, SANDALS, DRESS SHOES, HIGH HEELS, and BOOTS*, are not acceptable. If your child does not wear appropriate shoes he/she will not be allowed to participate in our Physical Education class and will not get credit for that day. Some students opt to bring a change of shoes in their backpacks for physical education.

2. JACKETS, SWEATSHIRTS, & SWEATERS - In Pacific Grove, the weather is constantly changing: foggy, hot, windy, drizzle, gorgeous, etc... Our students tend to dress in layers. Please put your child's first and last name on the inside of their jacket, sweatshirt, or sweater. If something has been left or forgotten at school remember to check the lost and found which is located in the Cafeteria.

3. MEDICAL EXCUSES & NOTES - If your child cannot participate in Physical Education class due to an illness or injury, the parent or guardian should send a written note to school. If your child needs to be excused from class for more than **three** days, a note is needed from your child's doctor stating the nature of the illness or injury, and approximately when the child can return to physical education class. For an extended illness or injury, (four weeks or longer), a written release from the doctor stating your child is healthy and able to return to physical education is required.

4. EQUIPMENT & SAFETY - Your child's safety and that of others is our primary concern. Any unsafe behavior or misuse of equipment will cause a student to set out from the class activity. Parents will be notified of serious incidents or when their child is having repeated difficulty staying safe in Physical Education class.

5. PHYSICAL EDUCATION EXPECTATIONS OF BEHAVIOR - As with all classrooms, the Physical Education program has a behavior policy which is provided to each student. This policy teaches moving in control, respecting self and others, developing self esteem, communication skills and solving conflicts.

6. OFFICE HOURS AND CONFERENCES - The Physical Education teacher is available before and after school and during prep time. Please call or email the school if you wish to schedule an appointment. jhinton@pgusd.org

Emergency Guidelines

In the event of a serious emergency:

1. The school will reference its District School Safety Plan and take appropriate actions depending on the emergency. The office will establish a communication center, with a telephone and communication device. A first aid center will be established.
2. Teachers will keep all of their students together until a family member or individual listed on their emergency card arrives to pick up their child.
3. When coming to the school to pick up children, parents should go directly to the office or student release area for further instruction and to sign their student out. Parents will not be able to pick up students from the classroom or grass area and are discouraged from entering either area. Students will be called to the office or student release area to meet their parents. **NO STUDENTS** will be dismissed directly to parents by their classroom teacher.
4. In the event of any emergency situation, **STUDENTS WILL ONLY BE RELEASED TO THOSE PEOPLE LISTED ON THE CHILD'S EMERGENCY CARD.**

Information for Families in Transition

I-HE 1. The Local Education Agency (LEA) provides the parents or guardians of homeless children and youth opportunities to participate in the education of their children. (42 USC 11432[g][6][A][iv])

The evidence that is reviewed for documentation of this item includes board policies, parent handbooks, and other communications. Two years ago MCOE worked with the Alisal USD and Salinas City ESD District Liaisons to develop a statement of rights that could be included in parent handbooks or other registration or back-to-school material that is provided to all parents. The following statement is compliant with federal law.

Families in Transition/Homeless

Homeless children and youth have equal access to the same free, appropriate public education, including a public preschool education, as is provided to other children and youth. (42 USC 11431[1]) If you have uncertain housing, a temporary address, or no permanent physical address, federal and California laws guarantee that your children may be enrolled in their previous school. (42 USC 11432 [g][6][A][iv]) If this describes your family's living situation, or if you are a student not living with a parent or guardian, please contact your District Homeless Liaison.

Playground Supervision and Guidelines

Our playground will be properly supervised for the safety and welfare of our students. We have some wonderful places for children to play with the following supervision and guidelines to be maintained:

1. Grade K-1 will remain on the primary playground. Grade 2 may play on primary or the blacktop area of the intermediate playground and Grades 3-5 will remain on the intermediate playground.
2. During the short recess periods (9:55 - 10:05 and 1:55 - 2:05), intermediate students are to remain on the blacktop areas only. The upper field is for Grades 3-5 students during the lunchtime recess.
3. The recesses are designed to allow the children to have a snack, go to the restroom, play and socialize. During this time, chasing and tag games or other rough activities are not allowed in order to avoid children running into others or receiving injuries through bad falls. (We have made a special effort to have extra equipment such as balls, jump ropes, etc. available to give the children as many options as possible.)
4. Do not climb the trees or hang on branches.
5. At recess time, students must be on the playground and out of the hallways unless directed to the office by an adult.
6. Students should go across the bars in one direction at a time and never on top of the bars.
7. No jumping off the playground structure.
8. When using the slide go up the stairs and down the slide only in a sitting position.
9. Follow all PE rules for game playing.
10. Children are to eat their snacks at the benches or picnic tables before playing. We encourage fruits, vegetables, milk products and breads and grains to give children lasting energy. Please do not send children with sodas, gum or candy as the energy is short lasting and does not provide the nutrition needed to be the best student possible.
11. Toys are to be left at home unless there is special permission given by the teacher.
12. At the end of the recess a "beep" will sound. The children are to immediately stop what they are doing and stand still until released by the teachers on yard duty. The children will be instructed to walk to their line. Students who do not freeze at the bell will be benched for the next recess period.

Off-Limit Play Areas:

- Bleachers (behind the baseball backstop)
- Pre-School area on the side of the main building
- Going into the street for a ball (let a supervisor know)
- Behind the first grade building

Lunch and Cafeteria Guid

- ◆ Lunch is from 12:05 - 12:50 for 1st - 5th grade students and from 11:55-12:25 for kindergarten students.
- ◆ Students may purchase a hot lunch for \$2.50.
- ◆ Milk may be purchased for \$0.50 for those not purchasing lunch.
- ◆ Students may apply for free and reduced meals at any time during the school year. Free and reduced meal applications are available in the school office or the cafeteria.
- ◆ Parents are encouraged to pay in advance for meals. At any time during the school year parents may pay online at www.EZSchoolPay.com or by sending money to school to be applied to their student(s) meal account(s). You will need your child's student ID number in order to pay online. You can get this number by calling the school office. If you send money with your child, it needs to be dropped at the office in the morning and clearly labeled with your child's name and teacher name, so it can be applied appropriately. As the student makes purchases in the cafeteria, the amount will be deducted from the balance. The cafeteria will remind the student when it is time to add more money to their account.
- ◆ There is no charging in the cafeteria so please make sure your student(s) have money on their lunch account(s) or have cash to pay for their meal.
- ◆ For more information please call 646-6590 ext: 206.
- ◆ When finished eating, students will clean their area, raise their hand to be excused, and when excused, throw away their trash and walk to the play area.
- ◆ If you send your student to school with a lunch, please make sure to send nutritious portions. While a small dessert is fine, please avoid sodas and gum.
- ◆ Some students do not finish their lunch resulting in some waste. While waste is unfortunate, we do not feel our lunch supervisors should put pressure on students related to eating food that they don't like, or force them to finish their lunch after a reasonable time has been provided. This takes away from the positive environment we create. We do, however, insist that every student bring a lunch and make a genuine attempt at eating what is provided. Please take note of what your children will eat so that they are not given too much or have items that they simply will not eat. One way is to ask your child to bring home everything they do not eat so you will know what to pack (or not to pack) next time.
- ◆ The District has adopted a wellness program, which asks parents to send healthy foods for snacks, lunch and classroom celebrations.

Three Step Plan for Crisis Management

We believe in empowering your children to learn to manage their emotions and solve their own problems. We teach them the Three Step Plan for Crisis Management.

1. Use Your Words

Students are encouraged to tell others what they think and feel in a respectful manner.

2. Walk Away

Students are encouraged to walk away when they can't manage a situation or solve a problem (cool off). It is hard to fight or argue with someone if you are not there.

3. Get Some Help

If students cannot solve the problem, seek adult help. On the playground find a Yellow Jacket.

Look the person in the eye
Say their name
Tell them how you feel

Newsletters and Parent Conferences

To assist parents in receiving regular information, the Otter Times school newsletter will be sent to every family. Classroom newsletters are sent out on a regular basis from all teachers. Parent conferences will be formally held as noted in the calendar and others will be scheduled as needed by either the parent or the teacher. Student report cards will be sent home during the fall and spring parent conferences, as well as at the end of the school year. If you need assistance in this area, contact your child's teacher or call our office at 646-6540.

Homework/ Home Study Center

Homework improves student achievement and provides opportunities for all students to develop a sense of responsibility towards their work. Building good study habits and self-discipline, managing time and meeting deadlines are important skills to develop.

A consistent time and place for study is important to your child's learning. The area should be comfortable and quiet (free from distractions), and well lit. A small table can serve as a desk. To minimize interruptions during study, help your child organize supplies (pencils, erasers, rulers, dictionary, paper, crayons, etc.) and have these materials nearby and ready to use.

Be sure your child understands the homework. Review the directions or work a problem together to reinforce the concept. Be available for your child during homework time and share the completed assignments before they are returned to school but DO NOT do the homework for your child. Please contact your child's teacher with a note, email or phone call if your child truly lacks understanding of a concept. Please review returned homework for any teacher comments and discuss with your child if necessary. Always encourage your child and praise their efforts and improvements.

If your student is absent, you may request homework when you call the absence line prior to 8:45 AM. The absence line is available 24 hours a day at 646-6663 ext.50.

The goal of discipline is to maintain a positive atmosphere for learning while teaching students to be responsible citizens. Like citizens in any community, students must obey the rules which assure that individual rights are not violated by the misconduct or disruptive acts of others. Administrators and staff are delegated the authority and responsibility to ensure that the desired goals of equal educational opportunity and an environment conducive to learning are achieved. When students misbehave, we give them the opportunity to correct their inappropriate behavior and to find a way to make better choices for themselves. Home and school share the responsibility of helping students develop the life-enhancing capability of self-discipline.

Students are suspended for very serious violations of school rules, based on the Ed Code of California. Suspended students shall be excluded from all school related extra-curricular activities during the period of suspension. A suspension may also include but is not limited to the loss of participation in school related activities (such as field trips, science school, school performances, sporting events, classroom/school celebrations, etc.).

Recognition and Awards

The principal will make monthly presentations in each classroom whenever possible to those who make the Otter Club. Those students who have made the club for seven months or more will be invited to a special celebration at the end of the school year.

Caught Being Good

The entire staff of Robert Down School will be on the lookout for students performing acts of kindness during the school day. Students "caught being good" will be given a recognition card and a well-deserved pat on the back. Students may put their cards in the Caught Being Good box in the school lobby. At every Community of Caring assembly, all are acknowledge for their good deeds and 12 students names are drawn from the "Otter" box for a special get-together with the Principal.

Some Ways in Which Volunteers Help

We can use your help in the education of your child. It is absolutely essential that you be involved in your child's schooling. There are two places that you can be involved: at home and at school. First and foremost, your consistent involvement at home will have the most positive impact on your child's learning and is the most realistic for most parents. Please make sure that you are reading the notes coming home from school and are aware of the work being assigned. Make sure your child, not you, does the work. Offer your assistance only if necessary. Secondly, volunteering at the school both during school hours and after school, and on weekends is an extremely useful and gratifying way to help. For the safety of our students and volunteers, all volunteers will be under the direct supervision of a staff member and will not work alone with students. See below for some suggestions and how you might help.

- ◆ Classroom helpers for a variety of subject areas (reading, writing, spelling, math, art, etc.). Listening to children read, working with particular groups or stations as the students rotate, or doing drill and practice with individuals or groups. Parents who can help on a regular basis in this way should contact your teacher to see what is needed.
- ◆ Assist with classroom projects; work on the bulletin boards, or other special needs.
- ◆ Assist with costumes for the Butterfly Parade or plays the class might put on.
- ◆ Participate in P.T.A.
- ◆ Assist in the library.
- ◆ Help on Pride Days held twice per year on a weekend to paint, build, clean, garden, fix and beautify our school building and campus. (Board Policy #7230)
- ◆ Be an art or garden docent.
- ◆ Chaperone a field trip
- ◆ Assist the office or teacher with clerical work
- ◆ Sign up to be your classroom PTA liaison
- ◆ Assist the classroom liaison in special school wide projects sponsored by your child's grade level team

Guidelines for Robert H. Down School Volunteers and Parents/Guests

We love our parents and volunteers and are thankful for your effective involvement. The staff has put together some guidelines to develop a healthy climate of respect and professionalism.

1. Your role in the classroom is important. Please remember:
 - Give appropriate praise and motivation.
 - Use tutoring strategies such as: repeat directions to child, allow child to complete task on his/her own, take a different approach, model a correct response, use visuals, etc.
 - Use appropriate language to guide students rather than just give the answer.
 - Avoid negative comments like: "don't act like a baby, you should know this".
 - Let children make a mistake and say, "try that again".
 - When child says, "I don't get it" or "I don't know what we're doing", state the activity in a new way. The teacher will be available, should a student need additional help which the parent or volunteer can't provide.
 - Help all students, not just your own child.
 - Allow your own child to be self-reliant in the classroom.
2. Volunteers need to be trained on the operation of all machines and where/how supplies are utilized. There will be group training at the beginning of each school year. New volunteers should contact the office manager and make an appointment for training, as there will be periodic training times available during the school year.
3. Volunteers and parents should display appropriate behavior in the hallways. We would appreciate the hallways being clear during school time (8:45 AM - 3:10 PM).
4. Student behavior is private and is to be dealt with by the teachers and other authorized personnel. Volunteers and parents should adhere to confidentiality in regard to all students. Due to IEPs and other behavior contracts, some students have different expectations and goals. Being respectful towards all students is expected by all volunteers and parents.
5. Volunteers and guests should wear appropriate professional attire: No tank tops, shorts, revealing necklines, hats (indoors), or inappropriate sayings on clothing. Inappropriate tattoos should be covered. Use professional language. No slang.
6. Do not discipline, but let the teacher take over in that area since he/she knows what the child may be working on behaviorally, or if the child has issues affecting behavior that day, etc.
7. Volunteers and parents should be actively engaged in the activity at hand. Please save conversations for outside of school rather than the back of the classroom.

8. Let the teacher be in charge of the lesson and the expectations. Volunteers should take the teacher's lead and if there's a question ask the teacher privately. Classroom protocols are to be followed by everyone.
9. Check with the teacher with regard to bringing younger siblings to class. Some activities may not be appropriate for younger siblings.
10. In assemblies, parents and volunteers (unless they are specifically helping with a student) should sit behind all of the classes and follow all assembly rules.
11. All rules and regulations governing staff and students at Robert Down apply equally to volunteers and parents. See the Robert Down handbook. Being on campus is a privilege not a right for parents and volunteers. This privilege can be revoked by the administration.
12. Your classroom teacher may have additional rules, which will be given to the parents and volunteers.

Parent Teacher Association - PTA

The PTA is an essential part of the education of all children at Robert Down School. While many PTA's function as a fundraising vehicle, our PTA assists the staff in many ways. The Robert Down PTA gives monetary support to every classroom and sponsors family fun and educational nights, the annual family feed, book fairs, campus pride days, the Theater of All Possibilities and many other events which enhance the overall climate of Robert Down School.

During the 09-10 school year, each classroom will have a PTA liaison who will coordinate between the PTA and classroom families. To become a PTA liaison, please speak with your child's teacher or a PTA officer.

The PTA membership drive will begin in August and all families and staff are encouraged to join the PTA. To learn more about the PTA, please see your classroom liaison and attend the monthly PTA meetings. Additional PTA information will be coming to you via the Otter Times, our PTA sponsored monthly school newsletter.

School Site Council

The Robert Down School Site Council develops the Single Plan for Student Achievement (SPSA) which is a plan of action to raise the academic performance of all students. The site council typically meets on the third Wednesday of the month at 3:30PM. All meetings are open to the public. Please contact any member of the site council for more information.
